HISTORY

The Susan G. Komen for the Cure®

The Power of a Promise, 28 Years

Nancy G. Brinker promised her dying sister, Susan G. Komen, she would do everything in her power to end breast cancer forever. In 1982, that promise became Susan G. Komen for the Cure® and launched the global breast cancer movement. Today, Komen for the Cure is the world's largest grassroots network of breast cancer survivors and activists fighting to save lives, empower people, ensure quality care for all and energize science to find the cures. Thanks to events like the Komen Race for the Cure®, we have invested nearly \$1.5 billion to fulfill our promise, becoming the largest source of nonprofit funds dedicated to the fight against breast cancer in the world. For more information about Susan G. Komen for the Cure, breast health or breast cancer, visit www.komen.org or call 1-877 GO KOMEN.

- Komen now has Race events in the Bahamas, Italy, Tanzania, and other locations, so each Race event is truly part of a global movement.

- The Race Series brings in nearly half of the organization's revenue.

Our history continued.....

The North Carolina Foothills Affiliate

The NC Foothills Affiliate of Susan G. Komen for a Cure® was incorporated as an Affiliate in April, 2000. The Charter Board members were: Ron Beane, President; Carol Frye, Secretary; Rob Turner, Treasurer; Amy Cortner (Grants Chair); Diane Hamer, Steve Hitt, Jan Hollar, Kathy Kent, Janice Rostan, Jonathan Smith, and Beverly Veals (Race Chair). Other key volunteers included were Tiffany Cooper (Communications/PR Chair), Debbie Rummell (Race Treasurer), Alicia Stanislaw (Volunteer Chair), Laurie Faw, Cheryl Whittington, and John Mead.

The Komen NC Foothills Affiliate is a three-county Affiliate, which includes Burke, Caldwell and Catawba Counties. Ideally, five representatives from each county serve on the Board of Directors. These three counties are referred to as the Affiliate's "service area", therefore, any grants disbursed must be within this area.

How it Began.....

John Mead, key volunteer, had attended the Komen Charlotte Race for the Cure® several years before the incorporation of this Affiliate and realized then the value of the Komen Foundation. Mead's sister-in-law and his wife's Aunt had died of breast cancer which is why he had such a passion for this Foundation and its mission. While at a meeting with Ron Beane in 1999, Mead discussed with Beane the Komen Foundation and its cause. They then contacted Kathy Kent, Breast Health Nurse at the Center for Breast Health in Lenoir and the rest is history. In April, 2000 a group of nearly 20 representatives from three counties formed bonds that has raised awareness about breast cancer and helped fund local projects towards the mission of eradicating breast cancer.

The Komen NC Foothills Affiliate held its first Susan G. Komen Race for the Cure® on Saturday, October 14, 2000 at the Quest4Life Wellness Center in Lenoir, NC. Over 1,000 participants showed their support by running and walking in the event.

Over \$1.3 million dollars in grants has been awarded by the Affiliate since its inception. See the following pages for more details.

Screening, Treatment, and Educational Program (STEP) Grants, 2001-2010

Money raised by the NC Foothills Affiliate of Susan G. Komen for the Cure® is used largely to support breast cancer/breast health initiatives in our three county service area: Caldwell, Catawba, and Burke Counties. Up to 75% of the money raised in this area stays here and is granted out to local non-profit entities through STEP (Screening, Treatment, and Educational Programs) Grants. A minimum of 25% of the money goes to the Susan G. Komen for the Cure® Research Grant Program. No money raised in this area goes to salaries here or at Komen National. Including min-grants (not listed), we have granted over \$1,300,000 in our ten year history.
